

COLORS RAISED . . . Flag-raising ceremonies at the Greenwood Elementary School which opened for the first time this fall, were witnessed by the school's nearly 400 students last Thursday morning. The pole had been painted the day before in a hurry-up job to have everything ready for the scheduled ceremony. (Herald photo).

Couple's Car Hits Pole After Intersection Crash

On the mend this week is a Hollywood Riviera couple who suffered minor injuries in a crash last Friday afternoon at Highway 101 and Hawthorne avenue—the gateway to "Murder Mile."

Believed most seriously injured was Mrs. Helen L. Ruffer, 58, 213 Via La Ciruela, who was thrown from the car driven by her husband, John Carle Ruffer, also 58. Mrs. Ruffer was thrown to the pavement after the car in which she was riding was rammed by one being operated by Christian Theodore Richard Matties, of Escondido.

The Ruffer auto after the initial crash was hurled into a power pole and nearly demolished. The couple was taken to the Harbor General Hospital by Miller and Figueroa Ambulance Service and later transferred to St. Mary's Hospital where x-rays disclosed that Mr. Ruffer had suffered a fractured rib and a sprained ankle. Mrs. Ruffer suffered severe bruises over most of her body, but no broken bones.

MORE CLASSROOMS

The National Education Association estimates that 12,550 classrooms will be under construction during the remainder of 1950 and 1951 in 857 cities throughout the United States. The cities range from 2500 to over 500,000 in population.

ABRASIVE MIX

Carborundum, an abrasive powder, is made from coke, silicon boron.
